

ACKNOWLEDGEMENTS

This study is submitted to Graduate School at Siam University in partial fulfillment of the requirements for the degree of Master of Business Administration (International Programme). I would like to express my profound appreciation to the Siam University and to Dr. Vijit Supinit, Dean of IMBA. I am very grateful to have the opportunity to study in this prestigious institution. I would like to express my sincerest gratitude to Dr Vijiit as my supervisor for his very kind support and help. His generous time, patience, encouragement and sincere commitment to help the students have been tremendously appreciated. He had been very kind as well as very informative as supervisor throughout my study period . It's his personality and effort which help Siam University to be one of the major international institutions in Thailand.

I am sincerely grateful and appreciative to all the lecturers of IMBA. All of them have been very helpful in understanding international business. In particular I would like to thank Dr La-iad for his tremendous assistance, kindness and encouragement for studying in service quality in Talingchan Floating Market. A special thanks also to the administrative officers for their cooperation and library staff for their help in finding books.

I would also like to take the opportunity to express my deepest gratefulness to my parents who have allowed me to study and work in Thailand. Without their patience and encouragement it would not have been possible to complete this study.

I am very grateful and appreciative to my wife Vanrak Gautam for her very kind and continuous encouragement and support to complete this study. A very special thanks to Asima Gautam, my daughter for her patience and encouragement.

Any mistakes or misinterpretations are solely due to my insufficient understanding. All necessary references are provided however I accept full responsibility if there are any mistakes. Despite any shortcomings, I hope that this study, at the very least, encourages further research in this area and will help the people for better understanding the importance of service quality in tourism industry.
