

ACKNOWLEDGEMENT

First and foremost, I would like to show my deepest gratitude to my supervisor, Dr. Vijit Supinit, a respectable, responsible and resourceful scholar, who has provided me with valuable guidance in every stage of the writing of this thesis. Without his enlightening instruction, impressive kindness and patience, I could not have completed my thesis. His keen and vigorous academic observation enlightens me not only in this thesis but also in my future study.

I would also like to thank all my teachers who have helped me to develop the fundamental and essential academic competence. My sincere appreciation also goes to the teachers and students from Siam University, who participated in this study with great cooperation.

I would like to thank all my friends, for their encouragement and support, especially to those who helped me to spread the questionnaire and oval-filtering within their friend groups.

Last but not least, I would also like to thank my family, I am particularly grateful to my parents encouraged me to study hard.
