Recalling the life and study here for more than one year, I benefit a lot! I have been helped a lot from teachers, students and friends of the enthusiastic help. At the same time through long time efforts, my graduation thesis is fulfilled by collecting and thinking, stagnation, modified until the final completion, and i have received a lot of care and help, in this, I would like to express my sincere gratitude to them!

First of all, I want to thank my mentor, Professor Qiu Chao & Professor Li Qiaoming. In terms of writing papers, thanks to Professor Qiu's guidance, he gives guidance and constructive advice. After my first draft was completed, the teacher in his busy schedule to take the time to come to my paper, I put forward many pertinent guidance, so that I cannot get lost in the writing process. His rigorous wind will influence and motivate my life. I would like to take this opportunity to express my deep appreciation to Mr. Qiu and Li.

Secondly, I would also like to thank mine classmates and friends. With the joint efforts of all the students, we always have a good living environment and a positive learning atmosphere is a great honor for me.

Finally, I would also like to thank my parents who always gave me great encouragement and help. The thousands and thousands of words come into a sentence: hard, mom and dad!

This year's study is a priceless treasure for me. I will work harder in the future in order to return to the community better. All honorable teachers, classmates and friends, please accept my sincere thanks!
