I'd like to give my sincere thanks to SIAM University for giving me a learning opportunity in this thesis design. My tutor not only gave me thorough guidance from selection of title, framework design and details correction, but also proposed many valuable opinions and suggestions. His strict academic attitude, highly professional dedication, cautious work style and audacious entrepreneurial spirit have affected me significantly. Moreover, I'm enlightened by his profound knowledge, broad vision and sharp thought. This thesis is accomplished under careful guidance and strong supports of my tutor.

Besides, I appreciate reaching efforts of all of my teachers. Without knowledge accumulation for years, I would be not so motivated and confident for this thesis. I sincerely hope my teachers could give me some comments on my thesis to further improve it.

Additionally, I want to express my thanks to my friends and classmates for strong supports and helps in this thesis. Their assistance has enlightened me a lot. Thank authors of all references. Their studies lay a good foundation for my thesis.

Finally, sincere gratitude shall be given to all reviewers for their time in reading my thesis.

Sincerely yours,
