

## **Acknowledgements**

This Independent of study would have never been completed without the valuable and kind support of several people. Firstly, I would like to express my sincerest regards to Dr. Vijit Supinit (Dean of Faculty of Master of Business Administration), my adviser, who devoted his valuable time to encourage and assist me and provided me with the useful information, guidelines, advice, and comments that made completing this study possible.

Secondly, I would like to thank all the instructors at the International Master of Business Administration, Siam University. I would also like to express my appreciation to all respondents who provided me with valuable information for this study. In addition, I also appreciated the kindness of my work colleagues who supported and helped me to collect the data.

Finally, I would like to express my deepest gratitude to my parents who are U Tin Myint and Daw Thant Ngwe and all dear friends for their concern, guidance and encouragement throughout my study and this research.
