

## ACKNOWLEDGEMENTS

I would like to express my deepest gratitude to my dear parents respectively, younger brother, younger sisters, relatives, sponsors and friends for their unending encouragement which gave me strength to keep further my research work. The people who are most believed in me and never give up on me, support me, and influence me in the time being and last forever, especially parents, younger brother, younger sisters, relatives, sponsors and friends:

1. My father Kim Ren
2. My mother Lam Thi Phonl
3. My younger brother Kim Tien
4. My younger sister Kim Thi Rua
5. My younger sister Kim Thi Pha La

My friends Thach Thi Sophol, Chau Thida, Kim Sobin Thach Thi Trang, and other that I cannot list their names right here. I might not be able to sum up with all the list of people I will wanted to dedicate my writing for but here are some of person that I shall never forget.

I would like to express a heartfelt thank you to my Independent Study super advisors, **Dr. Vijit Supinit**, Dean of the IMBA program at Siam University, for their ability and willingness to mentor and guide me in the right direction of research. Without their help, this Independent Study wouldn't have been possible. The knowledge and kind words received from him during the inception of this study are greatly appreciated and won't be forgotten.

Finally, I would like to give thanks to all friends who I have met throughout my studies in the IMBA program. So thank for all friends for making my studies and research finish very enjoyable.
