

ACKNOWLEDGEMENTS

I would like to thank my supervisor, Dr. VijiSupinit, for the patient guidance, encouragement and advice. He has provided throughout my time as his student. I have been extremely lucky to have a supervisor who cared so much about my study, and who responded to my questions and queries so promptly. I would also like to thank all the members of the staff at Siam University MBA office who helped me in my supervisor's absence.

I must express my gratitude to my parents and brother who have given me their unequivocal support throughout, as always, for which my mere expression of thanks likewise does not suffice.

Last, but no means least, I thank my friends and classmates for their support and encouragement throughout.
