

ACKNOWLEDGEMENT

First and foremost, I would like to express my deep gratitude to Dr. Vijit Supinit, Dean of MBA, Graduate School of Business, Siam University, Bangkok, Thailand for his valuable instruction and precious guidance. He is an outstanding coach and his vast knowledge, mastering at educating, and supervision helped me to accomplish this research work.

To the numerous professors, lecturers, and staff at the Faculty of Master of Business Administration for your teaching, guiding and sharing knowledge, I thank you from the bottom of my heart. I have no word to express my gratitude for your unconditional teaching, guiding and caring.

My thanks go to my earliest teachers, my parents and my brothers and sisters for their love, guidance, support and encouragement that lifted me up and they are extraordinary masters and real benefactors for my life.
